

W H Marauders RFC - Newsletter

“Make sure it’s the real deal!”

In an effort to avoid any further confusion we are using the unique medium that is the Ultimate Rugby 7`s website <http://ur7s.com>, along with our own website www.maraudersrfc.com, to spread some important information in order to protect the intellectual property that is **The White Hart Marauders** brand, our trademarked logo and most importantly our reputation and position as one of the longest standing and leading Invitational 7s clubs in the world.

We are aware that tournament organisers and players have been approached by a previous member of our organisation using **The White Hart Marauders** history and tradition to describe and promote his team.

Obviously there are a number of teams round the world using the word ‘Marauders’ in their title but we wish to make it clear to all that the only people with the authority to confirm commitments to tournament organisers, or players, on behalf of **The White Hart Marauders** are the elected committee. Any players who are unsure of who they have been contacted by should make sure that it is one of the names below.

Visit our website www.maraudesrfc.com in order to find out more about the “genuine Marauders”, our history and operating model, and for potential new players and supporters please feel free to download a membership form now to become part of a winning set up.
